September 2016 to July 2017

Who can qualify for a free travel pass?

Only Manchester City Council residents can use this form to apply for a free travel pass. Travel passes will not be provided for children attending Independent schools or if the parent has no recourse to public funding. If your child has a EHC plan, please contact the SEN Travel Co-ordination Unit, tel 0161 219 6400 (calls are taken by Environment on Call) for free travel assistance.

Where we require the distance measurement between the child's home and school, this will be measured by the shortest walking route.

To qualify for a TfGM (Transport for Greater Manchester) free travel pass from Manchester City Council, the child must be aged 4 to 11 and fall into one of these groups:

Group 1 – LAC

A child looked after or previously looked after by Manchester City Council, and attending a secondary school or academy more than 2 miles from their home address.

Group 2 – Primary Distance

A child aged between 4 – 7 years old who is:

- attending a primary school more than 2 miles from the home address; **and**
- where nearer similar provision in Manchester is not available.

A child aged between 8 – 11 years old who is:

- attending a primary school more than 3 miles but less than 15 miles from the home address; **and**
- where nearer similar provision in Manchester is not available.

The definition of nearer similar provision in primary schools for children who qualify under group 2 is defined as any school (other than the school the applicant currently attends) which may be closer to the applicants' home address. We do not consider specialism, such as specialist technology schools or the performance of a school when looking for a 'similar' school.

Vacancy information used for nearer similar provision under group 2 will be captured at certain points in the year.

For issuing free travel passes to children applying at transition time (a child which has been allocated a place in the normal round, years 0 & 7 only) availability at schools will be defined on national offer day. For all other children who apply in-year, availability will be defined by vacancies on specific dates at the start of each term as stated in the free travel policy for 2016-17.

Whilst that parents and carers have the right to express a preference for which school they wish their child to attend, a pupil who attends a school which is further away than the nearest school with places available will not be eligible for transport support.

Group 3 – Low income: Free School Meals/maximum Working Tax Credit allowance.

A child aged between 4 - 11 years old and living in Manchester who is:

- attending a primary school beyond 2, but less than 6 miles from home; and
- who receive free school meals; or whose parents receive the maximum working tax credit award; and
- nearer similar provision is not available.

If you are claiming Free School Meals for your child, a full photocopy of your Free School Meals letter from the benefits service must be provided. Alternatively a full photocopy of your Tax Credit Awards Notice for 2016-2017 must be provided to confirm if you are in receipt of the maximum entitlement of Working Tax Credit. The maximum entitlement will show £0.00 against reduction due to your income under part 2 of the Working Tax Credit elements. If you do not provide your Tax Credit Awards Notice for 2016-2017, we will return your application to you unconsidered.

Exceptions - Primary

(a) a child living within walking distance of 2 miles where the nature of the route is such that the child could not be expected to walk and there is no suitable school within walking distance.

(b) a child living in temporary or homeless families' accommodation and evidence is provided which is more than 2 miles from their current school.

What if my child does not qualify for a free travel pass?

You have the right to appeal the decision made if you feel your application was not considered correctly on the basis of one or all of the following:

- Entitlement;
- Distance measured;
- Route safety;
- Consideration of exceptional circumstances that was submitted along with the original application.

If you wish to appeal, you need to write to the address below within 20 working days of the date on your decision letter along with your reasons why you feel free travel should have been issued for your child. The information received will be considered as a formal stage 1 appeal and a reviewed decision of your case will be made within twenty working days of receipt of your request.

Your written request needs to provide the details of the child(ren) concerned, including their full name, date of birth, and current address, along with any exceptional circumstances. Please send you written appeal to:

What if my child loses their travel pass?

What happens next?

If your application has been successful, the free travel pass/cycle voucher will be sent to your child's school for collection. The school will advise you of its arrival. If your application is unsuccessful and free travel pass is refused, you will be notified by letter, the letter will also contain information of what to do next if you are unhappy with the decision as you have the right to appeal

For applications received after 31 July 2016, we aim to have the free travel pass available for collection from school approximately four weeks (20 working days) after the form arrives at the School Admissions Team's office.

Refunds

Where we are unable to process your free travel pass application within a 4 week period, a refund may be issued for travel expenses occurred for travel after the 4 week processing period and up to the time the pass arrives at your child's school. The refund will only be issued on receipt of evidence of your child's travel details, therefore only the original travel tickets/receipts will be accepted as evidence for a refund purpose. Only partial cost of a weekly ticket will be refunded, if your child did not attend school, or qualify on any of the dates claimed for. A 4 week processing period will not be included in any refund given.

A refund will not be provided if:

- the parent failed to provide the correct documents or photograph at the time of submitting the application which lead to the delay of issuing a pass;
- the school lost/damaged the pass; or
- the school delayed giving the pass to the child.
