An update from Ms Sorohan

Welcome back everybody to the academic year 2016/17. I hope you all had an enjoyable and restful Summer.

A big thankyou to all our parents who are keeping the children of St Paul's CE School safe by not driving into St Paul's Road and parking a little way away and walking to drop off and pick up their children—it makes a huge difference to safety outside of school. Can I once again remind all parents that the spaces at the front of school are for those people who hold a disabled badge (The person must be being picked up or be in the car) otherwise please do not use badges where the user is not present. Can I also ask parents not to park on local residents driveways please. Thank you for your cooperation. I am looking forward to a fantastic year ahead.

School Nurse

Our school nurse, Rosie Boast, is available every Wednesday morning from 9.00am to meet with parents on a drop-in basis. If you would like to speak to Rosie more urgently, please see the school office for her contact details.

Early Years

We welcome all the children to our nursery and reception classes. The first few weeks of term will be spent settling the children in and getting to know them, we'll be teaching them through a 'Celebrations' topic where we'll celebrate the children, their families and all the celebrations that happen in the Autumn e.g. harvest, Eid, Divali, Christmas. We will let you know what we are learning each week through our weekly newsletter.

Year 1/2

This term in KS1 our topic will be significant events from the past. As part of the topic the children will learning all about the great fire of London and the gunpowder plot. Over the course of the term the children will have the opportunity to work alongside an art specialist, Mrs Dawson, to create pieces of art related to the topic.

Homework will be sent out each Friday and should be returned the following Monday. P.E kits should be in school and left on the children's pegs for the duration of the term

Year 3/4

We hope you had a fantastic summer break and would like to welcome the year 3 pupils into Lower Key Stage Two. We are looking forward to learning about The Stone Age to the Iron Age and hope the children enjoyed the interactive workshop last Wednesday.
