5/12 = £3891(approximation)

£8000 plus £5 per pupil based on January census.

This Action Plan is specifically developed to ensure the effective use of the new Primary PE and Sport Premium. Our vision is to aim for all pupils leaving our school to be physically literate and with the knowledge, skills and motivation necessary to equip them for a healthy, active lifestyle and lifelong participation in physical activity and sport.

The plan will:

- improve the quality and breadth of PE and sporting provision
- increase participation
- ensure all pupils develop healthy lifestyles
- ensure all pupils achieve the performance standards they are capable of
- make improvements now that will benefit pupils joining the school in future years

This plan is shaped by the advice offered to schools by the Department for Education in its communication to schools in June 2013. It is designed to directly address the key findings and recommendations of the Ofsted Report:

“Beyond 2012 : Outstanding PE for all Schools”

(The baseline information for this plan was established at the start of the Autumn term of 2013 and updated in September 2015 following impact report of 2 year plan)

Total allocated funding below = £8705 with £634 remaining – This will be used for resources, employment and payment of coaches and of play leaders, coordinator time, maintenance of equipment. The £634 does not cover all the above however at St Pauls we see PE and Sport as a priority for all our pupils and include this in our budget beyond the grant.

Academic Year: 2016/2017		Total fund allocated: £9339
