

Dinner money is £2.30 per day

Dinner money this half term is £66.70

Friday Lunch Club is £13.80

Monday and Friday Lunch Club is £25.30

Breakfast club:- drop in, £2.40 per day from 8.00am

School Meal Arrangements:- You can only change your child's meal arrangement in the first 2 weeks of every half term, please see the school office for a form. Unfortunately we can not order any adhoc meals.

Free School Meals

There are some families who are entitled to Free School Meals but are not claiming so school loses the Pupil Premium Funding. Please apply online at; <https://www.cloudforedu.org.uk/ofsm/sims> Once you have applied—the system will check regularly for any new entitlement, meaning you will only ever have to do this process once.

Contact Details

Please ensure you tell the office if any of your contact details have changed as soon as possible.

Afterschool Clubs and Music

Clubs start week beginning Monday 23rd April. There will be no clubs week beginning Monday 16th July. If you're interested in signing your child up to a club, please see the office to see which clubs still have places.

Did you know, parents are welcome to come into their child's class every Friday morning from 8.45am to have a look at their work.

An update from Ms Sorohan

Welcome back—I hope this sunshine lasts.

At St Paul's we have introduced an approach to learning that focuses on children (and staff) developing a Growth Mindset. In short, having a 'growth mindset' enables children to manage everyday challenges and to have a positive 'can do' attitude that helps them fulfil their potential. To share our approach we are putting on presentations for all parents and carers.

Our first session will be for EYFS and Key Stage 1 parents (nursery, reception, year 1 and 2) on 3rd May 9.00am—9.45am called "Helping your child to aim high"

Please come to this session so you can continue to support this approach at home. The presentation for KS2 will be later in the year. Lookout for a leaflet in your child's bag later this half term!

School Nurse

Our school nurse is Rachel Tunnacliffe, Rachel will be in school every Tuesday morning and will be available to meet with parents. If you would like to speak to her on a different day, please see the school office for contact numbers.

Ghyll Head 2018 & 2019

You can still sign up and pay deposits for Year 5's trip to Ghyll Head 2018. Please see the school office.

We are also taking deposits for year 4's trip to Ghyll Head in 2019, please see the school website or school office for a letter. The deposit needed to secure a place is £40.00.

Early Years

Welcome back everyone. This term the children will be doing their learning around the theme 'What's outside the door?' This means learning about nature themes including growing from seeds, mini-beasts and celebrating our great outdoors. Later in the term we will be visiting Tatton Farm. More details will be sent out later. We are so impressed with the children's enthusiasm for learning. Thank you for your support.

Year 1/2

This term our topic is Explorers and Inventors. Your child should have brought home a topic letter with more information about the different areas of learning. We will be learning about continents and oceans as well as some significant people in history that have changed the way we travel today. To link with our topic we are going to visit the airport on Wednesday 25th April. Can you please ensure that you have returned the signed consent form to the office.

Year 3/4

Welcome back to a very busy Summer term. The children have already enjoyed an informative visit to Withington Baths to find out its history as part of our Manchester topic. The children have made fantastic effort in researching the Ancient Greeks during the holidays. We are looking forward to consolidating our learning through a Greek workshop in June. In science we will be investigating plants and growing our own individual plants.

Year 5/6

This term, pupils will be learning about the Kingdom of England: the period of time when Vikings and Anglo Saxons lived in England. The year 6 pupils will also be preparing for their move to high school and celebrating their time at St Paul's.
