### An update from Ms Sorohan

Welcome to a new school year. I'm sure it's nice to get back into a routine after the long Summer holidays. I'm pleased to report that once again St Paul's has excelled in our end of year assessments with over 80% of our children making the expected standard in Reading, Writing and Maths compared to 64% nationally. A fantastic achievement for those year 6 children and all the staff at St Paul's.

Thank you to all our parents who have ensured their child are in school uniform—the children look amazing in their new clothes. Just a reminder that footwear must be black, thank you! (See the school website for the full uniform policy.) Also can I remind parents not to drive into St Paul's Road after 8.30am or before 3.15pm. In order to keep all our children safe, can you please park on nearby streets and walk to drop off or pick up your children. Do not park on the double yellow lines outside of school or drop children off on the turning circle—Thank you.

### School Nurse

Our school nurse is Rachel Tunnacliffe, Rachel will be in school every Tuesday morning and will be available to meet with parents. If you would like to speak to her on a different day, please see the school office for contact numbers.

### Ghyll Head 2018 & 2019

You can now sign up for the year 5's trip to Ghyll Head in September 2019 at the school office.

### Early Years

We are very excited to be welcoming lots of new children into our reception and nursery classes. Our focus this half term is very much in ensuring they're happy and settled, hence our teaching and learning is all about 'Celebrations' - celebrating their start in school or a new class, celebrating who they are, their families, their friends and their cultures. The teachers in each class will keep you informed of the learning through regular newsletters. We look forward to working in partnership with you as their parents and carers.

### Year 1/2

This term in KS1 our topic will be significant events from the past. As part of the topic the children will be learning all about the great fire of London and the gunpowder plot. A topic overview has been sent home in your child's book bag that shows their learning in each subject. Just some quick reminders:  
Homework will be sent out each Friday and should be returned the following Monday.  
P.E kits should be in school and left on the children's pegs for the duration of the term.

### Year 3/4

We hope you all had a good Summer break. The team are very impressed by the excellent work the children have produced for the 'Homework Challenge'. We are going to plan a visit to the Museum of Science and Industry as part of our Science unit—'Habitats'. Mrs Davies's class will begin swimming lessons on Friday 14th September.

### Year 5/6

What a great start to our year, the children all participated with enthusiasm in our WW2 workshop, thank you to those parents who sent the £2.00 contribution. Please encourage your child to share any extra work with school.
