

Parent Forum 2018 – All Welcome

Please join us in the hall on November 21st at 9.00 till 9.30 approximately.

We are launching our new parent forum this term to include as many parents as possible.

The parent forum is an opportunity to share your views on St Paul's School.

The forums will run once a term and there is no commitment to come to all the forums.

Each forum will have a set agenda, there will be a short presentation from the school and then if you want to share your views you are welcome or you may want to listen to find out more about our school.

At the end of the forum there will be an opportunity to suggest the focus of future forums.
