

Parent forum newsletter

A letter designed for parents by parents.

What is parent forum?

Parent forum is a group of parents who meet once a term to discuss 'Our School'. We analyse the questionnaires filled in on open day and from this set our agenda. The meetings are designed so parents views and opinions on subjects can be taken into consideration. We have agreed to send a newsletter after each meeting so the whole community can see some of the things we discuss.

At the last meeting we discussed:

1. How to improve 'The school seeks my views and takes into account my suggestions/concerns.'
2. Designing this newsletter.
3. Home school support programme.
4. General discussion.
