### An update from Ms Sorohan

Welcome back, I hope you all had a good Summer—we have made a great start to the new school year. The children are looking very smart in their new uniforms, please remember, children need to wear black school shoes and not trainers and fleeces are for outdoors not a replacement cardigan or jumper. You can find the policy on the school website, thank you for your support with ensuring children are in correct uniform. I hope you have had a chance to look at the performance data on the website for last year's year 6's. We have continued an upward trend especially for attainment at level 5. A huge congratulations to the class of 2015 and we are sure to continue these high standards in 2016.

### Mobile Phones

If your child brings a mobile phone to school they need to leave it in the school office—No phones are allowed in classrooms, bags or trays. Unfortunately we can't take responsibility for phones left so it is left at the child's/parent's own discretion. As a school we would prefer phones to be left at home and not brought into school.

### PayPal

We are endeavouring to become a cashless office. If you can pay for school dinners via our website and PayPal that would be very much appreciated. We have had lots of positive feedback from parents already using this facility. Please give it a try and get log-in details from the school office. You can also use PayPal to pay for school trips, clubs and music tuition. We are now able to take debit/credit card payments at the school office for amounts over £10.00.

### Early Years

We welcome all the new children and families to our Early Years Foundation Stage alongside those of you who are returning. This term's learning will be around the theme 'What makes me special?' where they will learn about themselves, their families and their friends as an introduction to school life. The teachers will be sending out weekly newsletters to keep you informed about each weeks learning.

### Year 1/2

This term our topic is 'Ourselves'. Your child should have brought home a topic letter with more information about the different areas of learning. To link with science and D&T, which are the main focus for the first half term, we are hoping to arrange a visit to a local supermarket. Please check your child's bookbag regularly for letters. If you are available to help with trips throughout the year please let your child's teacher know.

### Year 3/4

We all hope you had a good Summer break. We would like to welcome year 3 to lower key stage two. We would like to welcome Ms Fleet, Mrs Whelan and Mrs McVann to the year 3 and 4 team. We have an exciting term ahead learning about Anglo Saxons in history!

### Year 5/6

Welcome to our new year 5 and welcome back year 6. Our topic this term is 'rainforests', details can be found on our team letter. Year 6 please ensure you received the list of open days for secondary school.
