First Aid

We are currently using a wrist band system for children who bump their heads throughout the school day. The bright wristband will alert parents, staff, kidzone and afterschool club staff that a child has had a bump to the head. A text message will be sent to parents to make them aware of the bump.

Did you know, parents are welcome to come into their child's class every Friday morning from 8.45am to have a look at their work.

An update from Ms Sorohan

Welcome back to the shortest but possibly busiest half term of the school year. I hope we get more of this beautiful weather. All Year 6 children are in the final preparations for SAT's which will take place in the week commencing Monday 11th May. Miss Lee will be sending out more information but can you please ensure lots of early nights in the next few weeks. Please pop into school on the morning of Saturday 6th June to find out more about our gardening project 'Wild About Our School'.

Attendance

Can I please remind parents that I cannot authorise requests for holidays in term time. Taking your child out of school could result in a penalty notice fine of £120 per parent per pupil (£60 if paid within 21 days).

PayPal

We are endeavouring to become a cashless office. If you can pay for school dinners via our website and PayPal that would be very much appreciated. We have had lots of positive feedback from parents already using this facility. Please give it a try and get log-in details from the school office. You can also use PayPal to pay for school trips, clubs and music tuition. We are now able to take debit/credit card payments at the school office for amounts over £10.00.

Parent Forum

Please contact the school office if you would like to join Parent Forum who meet on a termly basis.

Early Years

Welcome back everybody. This term's topic is called 'The Great Outdoors' and the children will be doing their learning around nature themes including learning about growing plants and flowers, mini-beasts, fish and life on a farm. Later in the term we'll be visiting Tatton Park farm and we'll send out more information later.

Year 1/2

This term our topic is 'All around the world', so the main focus will be on geography. Your child should have brought home a topic letter with more information about the different areas of learning. The year 2 children will be starting their SATs week beginning 5th May. During SATs sessions all other children will continue with their Literacy and Maths learning but will do this in small groups as opposed to whole classes. If you have any questions or concerns please arrange to see your child's teacher.

Year 3/4

The Summer term is upon us and what an exciting term it is going to be. Year 3 and 4 have already had a Roman Soldier visiting them for the day! It was a fantastic and fun learning experience. The children will be participating in a musical performance based on the Romans, this will be performed at the end of the Summer term. Well done to all pupils who entered the poster competition.

Year 5/6

Welcome back! Our topic this term is 'The Islamic Golden Age' details of our work can be found on the team letter. During this final, exciting term there will be a number of trips to lookout for including: Crucial Crew, Jodrell Bank, Christies Research Centre and Sportcity.
