

Dear parents/carers

Following the fantastic response to our family day to FC United we are going to provide a coach to the family fun day at FC United on March 24th.

The trip last week was a great success and all the families have given us amazing feedback (for photos of the day see please display board near the hall).

The day is designed to be fun and will give everyone the chance to visit a live football game and enjoy all the family events that are being offered (see back of letter).

You can bring the whole family or just one family member, all we ask is that children are accompanied by a family member.

We will provide the coach for the event but will not be funding the entrance for adults which is £8, children go in for free.

The school are providing the coach all you need is to be at the school entrance at 12.15 on Saturday 24th March.

If you would like more information about the team and venue their website is <http://www.fc-utd.co.uk/home.php>

If you and your family would like to come to the event please fill in the form below and return it to the school office before Friday 3rd March.

We will be in contact with tickets and more details on March 7th.

We hope this is a successful event that families can enjoy. If you have any suggestions for future events please let the school know.

Thank you
Miss Abi Lee (extended schools coordinator)

We would like to attend the day out to United FC on March 24th and would like _____ tickets for the event.

Childs name _____ Class _____
