

Dear parents/carers

At St Pauls we believe family and school learning experiences have a positive effect on school life for pupils, parents and staff and believe that out-of-school activities that can be shared with family members promote and encourage enthusiastic learners who develop a love of school that they share with the whole community.

We have had a great response this year to 'National Family Week' and 'Film Night' and now have been given the opportunity to experience a fun day at United FC through a great day arranged by one of our parents.

The day is designed to be fun and have the chance to visit a live football game and enjoy visiting behind the scenes at United FC. Whatever team you support this day will show more than just the game.

You can bring the whole family or just one family member all we ask is that children are accompanied by a family member.

The school are providing the coach all you need is to be at the school entrance at \_\_\_\_\_ on Saturday 10th March.

If you would like more information about the team and venue their website is <http://www.fc-utd.co.uk/home.php>

The day:

- meet at St Pauls at \_\_\_\_\_
- meet and greet our party before hand and have an introduction into the club and what its aims and aspirations are
- meet with the club's nutritionist who will talk about the importance of good diet & healthy eating
- meet with the club's physiotherapist who will talk about the importance of keeping fit and exercise
- see the club's TV gantry & have an opportunity to see how football matches are filmed
- see the club's radio station point & get an insight into how matches are broadcast
- tour the dressing rooms & get to meet the players - especially Carlos Rocca (an ex St Pauls pupil).
- go up onto the pitch & have a photo taken in the dug out.
- watch the match
- coach back to St Pauls
